

LUNCH MENU

Simply we start with the freshest seasonal produce that has almost always been grown in our organic walled kitchen garden, polytunnels and fields. We serve honest, unpretentious food, letting our produce be the strength in what you eat. We combine seasonal ingredients with changing menus that reflect what is happening in our garden. We have been growing food and nourishing our soil naturally for over 150 years. We only use wild seafood, free range chicken and Irish beef and pork on our menus.

We serve unlimited chilled filtered still & sparkling spring water, our filtering system removes nasty chemicals and metals. €1 per guest.
