

BURTOWN PANTRY

A Rustic-Chic Gathering Space at The Green Barn

WELCOME TO BURTOWN PANTRY

Nestle beside the historic Green Barn, **Burtown Pantry** is our newest rustic-chic gathering space. Designed with a blend of salvaged materials, warm textures and understated contemporary charm, it offers a relaxed yet characterful atmosphere that feels instantly welcoming.

Whether filled with soft evening light or the gentle hum of daytime activity, the Pantry was built to be a place people naturally gather.

CRAFTED WITH CHARACTER

The soul of the Pantry lies in its details. Every material, object and texture was chosen to reflect the craftsmanship and history that define Burtown. Inside, reclaimed timbers and tactile surfaces create a sense of depth and warmth, while carefully selected antiques give the space a unique narrative.

Available for:

- Pre and post dinner drinks on Fridays & Saturdays
- Private lunches Monday - Thursday
- Corporate meetings, strategising and workshops
- Private dining on Friday and Saturday evenings (max 30 people)
- Saturday and Sunday casual dining lunch for from the Pantry

THE SPACE IN USE

Burtown Pantry was created as a flexible, multi-purpose space that supports the natural rhythm of life at Burtown House & Gardens. On Friday and Saturday evenings, it becomes an intimate setting for pre-dinner drinks, offering guests a relaxed, fireside place to gather before moving into The Green Barn.

During the week, it transforms into a private dining room or creative meeting venue—ideal for retreats, strategy sessions, workshops or small celebrations. On weekend days, the Pantry welcomes visitors who want to pause, linger and dine from our Pantry menu.

DINING AT BURTOWN PANTRY

A relaxed yet refined extension of The Green Barn

Dining at Burtown Pantry offers a relaxed yet refined extension of our main restaurant, bringing seasonal, garden-led cooking into a warm and atmospheric setting. From leisurely brunches to long, late lunches and cosy evening dining, the Pantry provides a welcoming space that adapts beautifully to every part of the day. Guests can enjoy our casual Pantry Menu, elevated brunch dishes, and carefully curated group menus designed for celebrations, gatherings and corporate events.

During the day, the Pantry also serves as an inspiring venue for meetings and workshops, where we can offer everything from freshly brewed coffee with pastries to a fully catered lunch drawn from our walled garden and surrounding farm. As the evening begins, the space transforms into the perfect spot for pre-dinner drinks, with botanical cocktails, artisanal spirits and fine wines enjoyed beside the wood-burning stove. Whatever the occasion, we are delighted to tailor the experience to suit your event and create a memorable moment at Burtown.
